

Jevin Studios LLC Code of Ethics and Policy

1. Be inclusive

We welcome and support people of all backgrounds and identities. This includes, but is not limited to members of any sexual orientation, gender identity and expression, race, ethnicity, culture, national origin, social and economic class, educational level, color, immigration status, sex, age, size, family status, political belief, religion, and mental and physical ability.

2. Be considerate

We all depend on each other to produce the best work we can as a company. Our decisions will affect clients and colleagues, so we take those consequences into account when making decisions.

3. Be respectful

We won't all agree all the time, but disagreement is no excuse for disrespectful behavior. We will all experience frustration from time to time, but we cannot allow that frustration become personal attacks. An environment where people feel uncomfortable or threatened is not a productive or creative one.

4. Choose your words carefully

Always conduct yourself professionally. Be kind to others. Do not insult or put down others. Harassment and exclusionary behavior aren't acceptable. This includes, but is not limited to:

- Threats of violence.
- Insubordination.
- Discriminatory jokes and language.
- Sharing sexually explicit or violent material via electronic devices or other means.
- Personal insults, especially those using racist or sexist terms.
- Unwelcome sexual attention.
- Advocating for, or encouraging, any of the above behavior.

5. Don't harass

In general, if someone asks you to stop something, then stop. When we disagree, try to understand why. Differences of opinion and disagreements are mostly unavoidable. What is important is that we resolve disagreements and differing views constructively.

6. Make differences into strengths

We find strength in diversity. Different people have different perspectives on issues, and that can be valuable for solving problems or generating new ideas. Being unable to understand why someone holds a viewpoint doesn't mean that they're wrong. Don't forget that we all make mistakes, and blaming each other doesn't get us anywhere. Instead, focus on resolving issues and learning from mistakes.

7. What we publish reflects our values

Jevin Studios LLC reserves the right to refuse service in publishing and disseminating messages if the subject matter filmed is in violation of law, contains hate speech, denigrates any person(s) or group, or violates our standards of ethical conduct and policy.
